

## Nebraska Workers' Compensation Court (NWCC) EDI Claims Release 3.1 Announcement Nebraska's EDI Claims R3.1, Version 1.1 EDI Requirement Tables are Now Available!

Date: March 14, 2019

NWCC has posted the Nebraska EDI Claims Release 3.1, Version 1.1 EDI Requirement Tables that are immediately available for download at <https://nwccedi.info/>. You will find the updated tables under the "EDI Requirements" links on the left-hand side of the page.

**Summary of Changes:** The changes to each table are in the 'NWCC Change Log' at the beginning of each document. Implementation of the Nebraska EDI Claims Release 3.1, Version 1.1 Requirements will occur for testing on the date indicated in the '*NWCC TEST Implementation Date*' and the '*NWCC PROD Implementation Date*' column indicates when these specific changes will be implemented in production. There are two parts with two implementation dates for these requirements.

**1) Part 1 - Effective 5/15/2019:** NWCC PROD Implementation Date column for the following changes indicate the edit changes that are necessary for an effective implementation on 5/15/2019. NWCC TEST Implementation Date is 4/1/2019 (however, if you have already completed testing, no further testing is required).

Element Requirement Table summary of changes (shown with green shading):

- 9 are documentation changes related to Non-Legacy claims only
- 1 removes exception
- 3 are corrections making reducing requirements
- 11 are requirement revisions (many of which reduce the requirement or make it consistent)
- 3 are adding a condition or exception which will make it easier for claim admins

Edit Matrix summary of changes (shown with green shading):

- 1 removed edit
- 2 documentation changes
- 1 match data change
- 2 revised sequencing
- 5 corrections that include 3 corrections to Element Error Text only, 1 added an exception only applicable to Testing, and 1 corrected the Legacy claim date.
- 16 Edit Revisions: 11 relate to just standardizing the "legacy" claim exception. 3 others modified exception that will help claim admins.
- 8 New Edits: 4 are changes to DN Error Message Table to add L's because the DN was part of the 02 Grouping already in effect.

**2) Part 2 - Effective 8/26/2019:** NWCC PROD Implementation Date column for all other changes indicate that the edit changes will become effective on 8/26/2019 (shown with light red shading). NWCC TEST Implementation Date is 6/14/2019; however, no additional testing is required.
